

Tips From The Old Gardeners

As is the gardener, so is the garden

As research has begun to show, a surprising amount of gardening folklore is actually true! Tips from the Old Gardeners offers hundreds of good ideas (and a few not-so-good ideas) about what to plant and where to plant it, which plants and animals will ward off garden pests, and which plants can serve as homeopathic remedies, plus quite a few belly laughs for contemporary gardeners -- "If you want to know when to sow, take your trousers off and sit on the ground!"
