

## Stranger Than Fiction

### True Stories

Chuck Palahniuk's world has always been, well, different from yours and mine. In his first collection of nonfiction, Chuck Palahniuk brings us into this world, and gives us a glimpse of what inspires his fiction. At the Rock Creek Lodge Testicle Festival in Missoula, Montana, average people perform public sex acts on an outdoor stage. In a mansion once occupied by The Rolling Stones, Marilyn Manson reads his own Tarot cards and talks sweetly to his beautiful actress girlfriend. Across the country, men build their own full-size castles and rocketships that will send them into space. Palahniuk himself experiments with steroids, works on an assembly line by day and as a hospice volunteer by night, and experiences the brutal murder of his father by a white supremacist. With this new direction, Chuck Palahniuk has proven he can do anything. (0385722222)
