A California Christmas Gift

Making Room: A California Christmas Gift is an amazing example of God's process of change in a person and a family. In this true story of divine inspiration, a young father shares his vision of reaching out to the lost youth of a California town. Despite a lack of money, materials, and expertise, this family will come together to make a sacrifice; will they find a way to reach those who need the gift of God's love? (9781616631765)
