[Cameo](#) says: *One of my favorite movies from 1999 & there were so many great films that came out that year but for me this is in my top ten. Super funny & quotable, I still quote it all the time to this day. All about growing up, finding your identity, standing up to the man, & tripping so hard that your mom turns into Satan. It's a dark comedy that is so surreal & Matthew Lillard's monologues are the best!*
